

REISSUE APPLICATION DECLARATION BY THE INVENTOR

Docket Number

As a below named inventor, I hereby declare that:

My address and citizenship are stated below next to my name.

I believe I am the original, first and sole inventor of the subject matter which is described and claimed in patent number 6,546,830 B2 granted April 15, 2003 and for which a reissue patent is sought on the invention entitled:

TRANSMISSION DEVICE OF FOUR-WHEEL DRIVE VEHICLE

the specification of which

☒ is attached hereto.

☐ was filed on _____ as reissue application number _____ and was amended on _____ (if applicable)

I have reviewed and understand the contents of the above identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I verily believe the original patent to be wholly or partly inoperative or invalid, for the reasons described below. (Check all boxes that apply.)

- ☐ by reason of a defective specification or drawing.
- ☒ by reason of the patentee claiming more or less than he had the right to claim in the patent.
- ☐ by reason of other errors.

At least one error upon which reissue is based is described below. If the reissue is a broadening reissue, such must be stated with an explanation as to the nature of the broadening:

The transmission device of the invention was claimed too narrowly. The invention includes inventive features, such as those provided by the Examiner in '830 patent's December 12, 2002 Notice of Allowability, that are applicable to both front engine - front drive (FF) based and front engine - rear drive (FR) based four-wheel drive vehicles. New claims 14-19 (numbered after patent issuance), have been added which are of different scope than current claims 1-13 of the '830 patent.

All errors corrected in this reissue application arose without any deceptive intention on the part of the applicant.

As the named inventor, I hereby appoint all attorneys of McGinn & Gibb, PLLC who are listed under the USPTO Customer Number shown below as my attorneys to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith, recognizing that the specific attorneys listed under that Customer Number may be changed from time to time at the sole discretion of McGinn & Gibb, PLLC, and request that all correspondence about the application be addressed to the address filed under the same USPTO Customer Number.
